Work Experience

Graphic Designer & Front-End Developer

Fanshawe Fashion Design Program (Jan 2026 - Apr 2026)

- Designed the logo and visual identity for "The Grad Collective," the Fashion Design graduate showcase platform.
- Created wireframes and structured page layouts to establish clear user flow and content hierarchy.
- Developed digital marketing visuals and web content to promote the Fashion Design program and its annual showcase event, "Tapestry."
- Built a fully responsive, mobile-first website to support the Fashion Design program and its annual showcase event.

Graphic Designer

Soft Edit Skin (Jan 2026 - Apr 2026)

- Collaborated with stakeholders to refine creative direction and align visual concepts with brand and business objectives.
- Redesigned the company logo to modernize the visual identity and strengthen consistency across digital and print materials.
- Developed comprehensive brand guidelines covering logo usage, typography, color systems, and layout standards.
- Updated product packaging to reflect the refreshed identity and improve shelf presence.
- Produced promotional posters and marketing materials supporting product launches and campaigns.
- Prepared production-ready digital assets optimized for distribution across online platforms.

Education

Interactive Media Design

2-Year Diploma

Fanshawe College, London, Ontario

Aug 2024 - Apr 2026
